N. M. Ware is visiting in the city from Winslow, Ariz.

Miss Low Ewers, a former student of the University of New Mexico, is expected in the city in a few days to be the guest of Miss Rose Harwood. Miss Ewers now resides in Iowa.

Earl Wylder, for some time a clerk in the offices of the American Lumber company, recently put on the road traveling, returned today from his initial trip through the southern part of the territory.

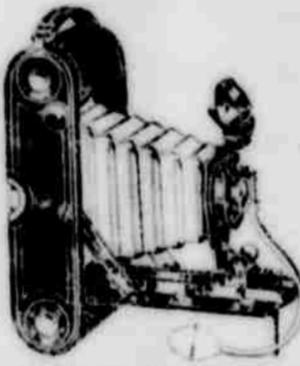

Judge E. A. Mana, son Grant and Attorney Isaac Barth have returned from a three weeks' fishing trip in the White mountains of Arizona. The trip was made in Mr. Barth's automobile. The anglers report biting good in the wilds and have numerous photographs to verify their fish stories.

Joseph R. Watson, professor of biology at the University of New Mexico, left this morning for a week at Santa Fe and Taos, in pursuit of biological specimens. Dr. Watson's recent classification of the flora of Bernillo county has attracted wide attention among scientists.

John A. Johnson, sales agent for the American Lumber company with headquarters in Wichita, Kansas, leaves this evening for Denver and Rocky Ford after spending several days here conferring with local lumber officials. Mr. Johnson sells the products of the local plant in Kansas, Missouri, Oklahoma and Sonora, Mexico, for his missionary labors as a minister of the Methodist church.

Hot weather or efficient supervision had had a good influence upon Albuquerque's citizenship, and the police court "drove a blank" this morning of all the crimes and misdemeanors from horse stealing to trampling on violations came to the attention of the police yesterday. The hot weather is responsible for this improvement in our moral nature, we are inclined to endorse the theory of purgatory.

FIVE ELKS LEAVE FOR EAST SOON
Messrs. Betz, Clarke, Gumbiner, Landolfi and Stortz Will Spend Month Doing Time on Eastern Circuits.

A happy five from Elksdom are planning eastern trips that will last about a month, when the quintet will converge in Chicago and return to this city in a body. The Elks who have decided on this meeting are Albert B. Betz, Louis Gumbiner, Ernest F. Landolfi, John Lee Clarke and Frank Stortz. They are going to different points in the east, but Messrs. Stortz, Clarke and Landolfi plan to attend the national convention of Elks in Atlantic City. Mr. Clarke is the official delegate from the local lodge to the convention.

Mr. Stortz will start Sunday for a visit to his old home in West Virginia. Mr. Landolfi, who also leaves on Sunday, will make an excursion to New York. Mr. Clarke will leave Monday. Mr. Betz, who will visit friends in Pittsburgh, and Mr. Gumbiner, bound for his home in Peoria, will leave Tuesday or Wednesday.

Taking advantage of the \$74.60 round trip rate to Atlantic City and return to Albuquerque, a number of local people will leave for the east as quickly as the special rate goes into effect. The Elks' rate to Atlantic City is the lowest far east rate offered by the Santa Fe this year.
